STATEMENT BY PRESIDENT AND HONORARY TREASURER

We, **NICHOLAS AW** and **JEAN LUC WOLFGANG MITCHELL VAN DER ZAHN**, state that, in our opinion:

- (a) the financial statements set out on pages 4 to 23 are drawn up so as to give a true and fair view of the state of affairs of the Association as at 31 March 2014 and the results, changes in funds and cash flows of the Association for the financial year ended on that date;
- (b) the use of the donation moneys was in accordance with the objectives of the Institution of Public Character as required under regulation 16 of the Charities (Institutions of a Public Character) Regulations;
- (c) the Association has complied with the requirements of regulation 15 (Fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations; and
- (d) at the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

The Management Committee has, on the date of this statement, authorised these financial statements for issue.

On behalf of the Management Committee

.....
NICHOLAS AW
President

.....
JEAN LUC WOLFGANG MITCHELL VAN DER ZAHN
Honorary Treasurer

DATED: 7 JULY 2014

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
DISABLED PEOPLE'S ASSOCIATION
Registration No. S86SS0002F**

Report on the Financial Statements

We have audited the financial statements of DISABLED PEOPLE'S ASSOCIATION, which comprise the balance sheet as at 31 March 2014, and the statement of comprehensive income, statement of changes in funds and statement of cash flows for the financial year ended on that date, and a summary of significant accounting policies and other explanatory notes, as set out on pages 4 to 23.

Management's Responsibility for the Financial Statements

The Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Societies Act, Chapter 311, Singapore Charities Act, Chapter 37 and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair income and expenditure accounts and to maintain accountability of assets.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgements, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
DISABLED PEOPLE'S ASSOCIATION
Registration No. S86SS0002F**

Opinion

In our opinion, the financial statements are properly drawn up in accordance with the provisions of the Singapore Societies Act, Chapter 311, Singapore Charities Act, Chapter 37 and Singapore Financial Reporting Standards so as to give a true and fair view of the state of affairs of the Association as at 31 March 2014 and the results, changes in funds and cash flows of the Association for the financial year ended on that date;

Report on Other Legal and Regulatory Requirements

During the course of our audit, nothing came to our attention that caused us to believe that:

- a. the use of donation moneys were not in accordance with the objectives of the Institution of Public Character as required under regulation 16 of the Charities (Institution of a Public Character) Regulations; and
- b. the Association has not complied with the requirements of regulation 15 (Fund-raising expenses) of the Charities (Institutions of a Public Character) Regulations.

In our opinion, the accounting and other records required by the Singapore Charities Act, Chapter 37 and Singapore Societies Act, Chapter 311 to be kept by the Association have been properly kept in accordance with the provisions of the Singapore Charities Act, Chapter 37 and Singapore Societies Act, Chapter 311.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

These notes form an integral part of and should be read in conjunction with the accompanying financial statements:

1. GENERAL

The financial statements were authorised for issue by the Management Committee on 7 July 2014.

The Association is registered and domiciled in the Republic of Singapore. The Association is also registered as a charity under Singapore Charities Act, Chapter 37 and an approved Institution of Public Character in accordance with Section 37(a) of the Income Tax Act.

The registered office is located at 1, Jurong West Central 2, #04-01, Jurong Point Shopping Centre, Singapore 648886.

The principal activities of the Association are to advocate on due behalf of and empower people with disabilities, helping them achieve full participation and equal status in the society through independent living.

Disabled People's Association has the following objectives:

- 1.1 To advocate disability issues with other disability organisations.
- 1.2 To encourage and enhance self-help and independent living among persons with disabilities in the community.
- 1.3 To work towards removing all architectural and attitudinal barriers and those that would hinder the full participation of persons with disabilities in the educational, vocational, economic, social, cultural, sports and recreational life by making the necessary recommendations to relevant authorities or organisations, by taking action to facilitate the full participation of all persons with disabilities, including those who are home-bound in the design, formulation, implementation and evaluation of policies, programmes and services; to also provide communication links with all persons with disabilities and to make accessible information about disability, its treatment, rehabilitation and prevention.
- 1.4 To affiliate with and to further the work or purpose of any national and international organisation having its objectives the promotion of the interest, welfare and rights of persons with disabilities through social justice. /

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

1. GENERAL (CONTINUED)

- 1.5 To work closely and to provide consultative services on matters relating to persons with disabilities to governmental and non-governmental organisations engaged in the field of disability services; promote or undertake research in any aspect of prevention, habilitation, rehabilitation and equalisation of opportunities; organise training courses not for profit or commercial reasons for relevant persons with and without disabilities; organise conferences, seminars, study groups of workshops on the subjects relevant to persons with disabilities.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

The financial statements are prepared in accordance with Singapore Financial Reporting Standards (FRS).

The financial statements are prepared in accordance with the historical cost convention, except as disclosed in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair values are categorised into different levels in a fair value hierarchy based on the degree to which the inputs to the measurement are observable and the significance of the inputs to the fair value measurement in its entirety:

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 fair value measurements are those from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Transfers between levels of the fair value hierarchy are recognised by the Association at the balance sheet date during which the change occurred.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.1 Basis of preparation (continued)

The preparation of financial statements in conformity with FRS requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying amounts of assets and liabilities that are not readily apparent from other sources.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision only affects that period, or in the period of the revision and future periods, if the revision affects both current and future periods.

The adoption of FRS 113 Fair value measurement that is applicable in the current financial year and relevant to the Association does not have material impact on the accounting policies and figures presented in the financial statements for the financial year ended 31 March 2014.

The Association has not applied any new or revised FRS or Interpretations of FRS (INT FRS) that have been issued as of the balance sheet date but are not yet effective. The initial application of these standards and interpretations are not expected to have any material impact on the Association's financial statements. The Association has not considered the impact of any FRS or INT FRS issued after the balance sheet date.

2.2 Functional and presentation currency

Items included in the financial statements of the Association are measured using the currency of the primary economic environment in which the Association operates (functional currency). The financial statements are presented in Singapore Dollars (S\$), which is the Association's functional currency.

2.3 Equipment

Equipment is stated at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation is calculated on a straight-line basis so as to write off the cost of the assets over their estimated useful lives, as follows:

	Number of years
Computers	3
Furniture and fittings	3
Office equipment	3
Renovation	5 /

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

2. **SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

2.3 **Equipment (continued)**

The residual values and useful lives of equipment are reviewed, and adjusted as appropriate, at each balance sheet date.

Subsequent expenditure relating to equipment that has already been recognised is added to the carrying amount of the asset when it is probable that future economic benefits, in excess of the standard of performance of the asset before the expenditure was made, will flow to the Association and the cost can be reliably measured. Other subsequent expenditure is recognised as an expense during the financial year in which it is incurred.

On disposal of an item of equipment, the difference between the net disposal proceeds and its carrying amount is taken to profit or loss.

2.4 **Financial assets**

Financial assets within the scope of FRS 39 are classified as loans and receivables. Loans and receivables include "trade and other receivables" and "cash and cash equivalents".

Financial assets are recognised on the balance sheet when, and only when, the Association becomes a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus directly attributable transactions costs. The Association determines the classification of its financial assets after initial recognition and, where allowed and appropriate, re-evaluates this designation at each financial year-end.

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Such assets are carried at amortised cost using the effective interest rate method. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

The Association assesses at each balance sheet date whether there is objective evidence that a financial asset or a group of financial assets is impaired. Impairment losses are recognised in profit or loss.

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognised directly in equity is recognised in profit or loss.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.5 Receivables

Trade and other receivables are measured at initial recognition at fair value and subsequently at amortised cost using the effective interest rate method less an allowance for any uncollectible amounts.

Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy, and default or significant delay in payments are objective evidence that the receivables are impaired. An allowance for impairment is made when collection of the full amount is no longer probable. Bad debts are written off as incurred.

The carrying amounts of current receivables are assumed to approximate their fair values at the reporting date.

2.6 Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, cash at banks and unpledged fixed deposits.

2.7 Financial liabilities

The Association classifies its financial liabilities in the following categories: (a) financial liabilities at fair value through profit or loss; and (b) financial liabilities at amortised cost.

Financial liabilities are classified as financial liabilities at fair value through profit or loss if they are incurred for the purpose of short-term repurchasing (held for trading) or designated by management on initial recognition (designated under the fair value option). The Association does not have any financial liabilities classified at fair value through profit or loss at the end of the financial year.

Financial liabilities are recognised on the balance sheet when, and only when, the Association becomes a party to the contractual provisions of the financial instrument.

Financial liabilities are recognised initially at fair value, plus, in the case of financial liabilities other than derivatives, directly attributable transactions costs.

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest rate method, except for derivatives, which are measured at fair value.

A financial liability is derecognised when the obligation under the liability is extinguished. For financial liabilities other than derivatives, gains and losses are recognised in profit or loss when the liabilities are derecognised in profit or loss. Net gains or losses on derivatives include exchange differences.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.8 Payables

Payables are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Payables are derecognised when the obligation under the liability is extinguished. On derecognition, the difference between the carrying amount and the sum of consideration settled is recognised in profit or loss.

The carrying amounts of current payables are assumed to approximate their fair values at the reporting date.

2.9 Revenue recognition

Donation income are recognised on receipts basis.

Fundings and other grants are recognised when the right to receive payments is established.

Interest income is recognised on a time proportion basis using the effective interest rate.

Members' annual subscriptions and admission fees are recognised when due.

Project income is recognised when service is rendered.

2.10 Government grants

Government grants are recognised when there is reasonable assurance that the Company will comply with conditions related to them and that the grants will be received.

Grants related to income are recognised in profit or loss over the periods necessary to match them with the related costs that they are intended to compensate. The timing of such recognition in profit or loss will depend on the fulfillment of any conditions or obligations attached to the grant.

Grants related to assets are presented as deferred income (liability) in the balance sheet. Profit or loss will be affected by recognising deferred income systematically over the useful lives of the related asset.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.11 Impairment of non-financial assets

Equipment is reviewed for impairment whenever there is any indication that these assets may be impaired. If any such indication exists, the recoverable amount (i.e. Higher of the cash-generating unit's fair value less cost to sell and value in use) of the asset is estimated to determine the amount of the impairment loss.

For the purpose of impairment testing of these assets, recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. If this is the case, recoverable amount is determined for the cash-generating unit to which the asset belongs to. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. The impairment loss is recognised in profit or loss unless the asset is carried at revalued amount, in which case, such impairment loss is treated as a revaluation reserve.

An impairment loss for an asset is reversed if, and only if, there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss for an asset is recognised in profit or loss, unless the asset is carried at revalued amount, in which case, such reversal is treated as a revaluation increase.

2.12 Employee benefits

As required by law, the Association makes contributions to the Central Provident Fund (CPF). CPF contributions are recognised as compensation expenses in the same period as employment that gives rise to the contributions. These expenses are charged to profit or loss as and when they arise and are disclosed as part of staff costs.

2.13 Operating leases

Leases of assets in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Payments made under operating leases are taken to profit or loss on a straight-line basis over the period of the lease.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2.14 Taxation

The Association is registered as a charity under the Singapore Charities Act, Chapter 37. As a charity, the Association is exempted from income tax subject to compliance with the provisions of the Income tax Act.

3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

3.1 Critical judgements in applying the Association's accounting policies

The management is of the opinion that any instances of application of judgements are not expected to have a significant effect on the amounts recognised in the financial statements.

3.2 Useful lives of equipment

The management of the Association determines the estimated useful lives and related depreciation expense for the equipment. The management of the Association estimates useful lives of the equipment by reference to expected usage of the equipment, expected repair and maintenance, and technical or commercial obsolescence arising from changes or improvements in the market. The useful lives and related depreciation expense could change significantly as a result of the changes in these factors.

3.3 Allowance for impairment of receivables

The policy for allowance for impairment of receivables of the Association is based on the evaluation of collectibility of receivables, ageing analysis of accounts and on management's estimate. A considerable amount of judgement is required in assessing the ultimate realisation of these receivables, including the current creditworthiness and the past collection history of each debtor. If the financial conditions of the debtors were to deteriorate and result in an impairment of their ability to make payments, additional allowance may be required. /

14. FUND-RAISING INCOME AND EXPENDITURE (CONTINUED)

	2013			
	Total proceeds from fund- raising events	Total sponsorship	Total fund- raising expenses	Net fund- raising income
	"R"	"S"	"E"	
	S\$	S\$	S\$	S\$
Donations received through commercial fund-raisers	225,128	-	67,568	157,560
Flag Day 2012	145,842	-	1,816	144,026
	370,970	-	69,384	301,586

The 30/70 fund-raising efficiency ratio:

$$\frac{(E + S)}{(R + S)} \times 100\% = \underline{\underline{18.70\%}}$$

15. FINANCIAL INSTRUMENTS

Categories of financial instruments

The financial instruments as at the balance sheet date were:

	2014	2013
	S\$	S\$
Financial assets, loans and receivables	638,175	964,061
Financial liabilities, at amortised cost	17,836	13,712

Financial risk management

The main risks arising from the Association's financial instruments are liquidity risk, interest rate risk and credit risk. The policies for managing each of these risks are summarised as follows:

15.1 Liquidity risk

Liquidity risk is the risk the Association is unable to meet its cash flow obligations as and when they fall due.

DISABLED PEOPLE'S ASSOCIATION
(Registered in the Republic of Singapore)

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

15. FINANCIAL INSTRUMENTS (CONTINUED)

Financial risk management (continued)

15.1 Liquidity risk (continued)

In the management of its liquidity risk, the Association monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the Association's operations and mitigate the effects of fluctuations in cash flows.

15.2 Interest rate risk

Interest rate risk is the risk to earnings and value of financial instruments caused by fluctuations in interest rates.

The Association's exposure to risk for changes in interest rates relates primarily to its interest-bearing bank deposits. The Association adopts a policy of constantly monitoring movements in interest rates to obtain the most favourable interest rate available in the market. Presently, the Association does not use derivative financial instruments to hedge its interest rate risk.

At the balance sheet date, if fixed deposits interest rate increased/decreased by 10 (2013: 10) basis points, with all other variables being held constant, the surplus of the Association will increase/decrease by S\$374 (2013: S\$370).

15.3 Credit risk

Credit risk is the potential loss arising from any failure by the clients or debtors to fulfill their obligations as and when these obligations fall due.

As the Association does not hold any collateral, the carrying amounts of the financial assets represent the Association's maximum exposure to credit risk. No other financial assets carry a significant exposure to credit risk.

Credit risk on bank deposits is limited as these balances are placed with institutions which are regulated. Receivables that are neither past due nor impaired are creditworthy debtors with good collection track record with the Association. There are no classes of financial assets that are past due and/or impaired.

The management is of the opinion that there is no significant collection losses associated with its debtor balances as the Association has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis.

NOTES TO THE FINANCIAL STATEMENTS, 31 MARCH 2014

16. RESERVES POLICY

The reserves position of the Association at the balance sheet date:

	2014	2013	Increase/ (Decrease)
	S\$	S\$	%
Unrestricted funds	<u>651,098</u>	<u>988,913</u>	<u>(34.16)</u>
Ratio of unrestricted funds to annual operating expenditure	<u>1: 1.24</u>	<u>1: 0.33</u>	

The reserves that the Association has set aside provide financial stability and the means for the development of its principal activities. The Association intends to maintain its reserves at a level which is at least equivalent to one year's expenses to ensure the continued running and smooth operation of the Association. The intended use of the reserves is for the operational needs of the Association.

The Board will review the amount of reserves that are required to ensure that they are adequate to fulfil the Association's continuing obligations on a half-yearly basis.
